)

This matter comes before the Public Service Commission of South Carolina (the Commission) on the Motion to Supplement Testimony in this Docket filed by counsel for Kiawah Property Owners Group (KPOG) and Kiawah Island Community Association. Counsel states that he has not received interrogatory responses from Kiawah Island Utility, Inc. Therefore, he asks to be given until **Monday, February 1, 1999** to file supplemental testimony based on this material. Counsel notes that the supplemental testimony will not be expert, but will be lay testimony. Counsel also agrees that any other party may file responsive testimony if necessary after receipt of the supplemental testimony. No opposition has been received to the Motion. Accordingly, we grant the Motion, under the terms as discussed above, which we feel are fair to all parties.
